CITY OF GLENDALE

Council Communication

Workshop Agenda

01/04/2011

TO: Honorable Mayor and City Council

FROM: Ed Beasley, City Manager

PRESENTED BY: Brent Stoddard, Intergovernmental Programs Director

SUBJECT: [2011 STATE LEGISLATIVE AGENDA AND LEGISLATIVE UPDATE](#)

Purpose

- This is a request for City Council to review and provide guidance on the proposed 2011 state legislative agenda and to give a legislative update.
- The Intergovernmental Programs staff recommends prioritizing the state legislative agenda to a few key issues to allow the city to have a stronger, more consistent message on the items of greatest priority. The proposed key priority issues for consideration are described in the attached report.

Council Strategic Goals or Key Objectives Addressed

- The 2011 state legislative agenda includes policy statements intended to protect and enhance the quality of life for Glendale residents by maintaining local decision-making authority.
- Throughout the 2011 legislative session, policy direction will be sought on proposed statutory changes which fall under the adopted Council policy statements relating to the financial stability of the city, public safety issues, promoting economic development, managing growth and preserving neighborhoods.

Background

- Prior to each legislative session, the Intergovernmental Programs staff seeks Council adoption of the city's state legislative agenda. The legislative agenda defines the city's priorities for the upcoming session and will guide the city's lobbying activities at the Arizona State Legislature. The Intergovernmental Programs staff will update Council on a regular basis throughout the session for guidance on bills and amendments that may be introduced.

The city's legislative agenda is a flexible document and may change, based on activities at the Legislature and Council direction.

- The 50th Legislature's First Regular Session will begin on Monday, January 10, 2011.

Community Benefit

- The key principles of the proposed state legislative agenda are to preserve and enhance the city's ability to deliver quality and cost-effective services to citizens and visitors; address quality of life issues for Glendale residents; enhance Council's ability to serve the community by retaining local decision-making authority; and to maintain state legislative and voter commitments for revenue sources.

Policy Guidance

Staff is requesting Council to provide policy guidance on the proposed City of Glendale 2011 state legislative agenda.
