**Statement on Proposed Tohono O'odham Casino in Glendale**

WASHINGTON, D.C. – U.S. Senator Jon Kyl (R-Ariz.) today made the following statement regarding the Tohono O'odham Nation's proposed casino in Glendale:

“I share the concerns raised by Senator McCain and Governor Brewer regarding the proposed casino's impact on the surrounding communities. I am also concerned about the precedent it would set for gaming on newly acquired Indian trust lands. Therefore, I do not support the proposed casino.”
